- New Restrooms

# PARKS + CONNECTIONS PROP. 407 PROJECTS

## QUICK FACTS

- 130 Miles of Improvements
- 9 Greenways / Shared-Use Paths
- 10 Pedestrian Safety & Walkability Projects
- 34 Bicycle Safety & Mobility Projects

## PARKS + CONNECTIONS PROP. 407

The **PARKS + CONNECTIONS** Bond includes \$225 million in General Obligation bonds to fund parks and connectivity improvements throughout the City of Tucson.

The Connections projects include 53 safety and mobility improvements that connect people to parks, local services, transit systems, libraries, and schools.

## What Are Connections Projects?

### GREENWAYS & SHARED-USE PATHS 9 Projects | 18 Miles

#### PROJECT GOALS

- Provide safer and accessible off-street routes
- Create more opportunities for physical activity and play

#### TYPICAL IMPROVEMENTS INCLUDE...

- New paths
- Expansion of existing path network
- Path lighting
- Shade trees and water harvesting

#### PROJECT EXAMPLE IN PROP. 407

**Arroyo Chico Greenway: 2.5 miles**  
(Downtown to Reid Park)

- Connects to 13 neighborhoods, 10 schools, 6 parks, and the 4th Avenue Business District

### PEDESTRIAN SAFETY & WALKABILITY 10 Projects | 14 Miles

#### PROJECT GOALS

- Provide safer, accessible and connected walking routes
- Activate streets socially and economically
- Improve visibility and awareness of people walking

#### TYPICAL IMPROVEMENTS INCLUDE...

- Sidewalks and curb ramps
- Street lighting
- Enhanced crossings
- Shade trees and water harvesting

#### PROJECT EXAMPLE IN PROP. 407

**36th Street Walkability Project: 2 miles**  
(6th Street to Country Club)

- Connects to 4 parks, 5 schools, 1 library, and the Bridges Commercial Center

### BICYCLE SAFETY & MOBILITY 34 Projects | 100 Miles

#### PROJECT GOALS

- Creating a network of safer and more comfortable bicycle routes
- Provide on-street bike facilities separated from traffic
- Encourage people of all ages and abilities to ride a bike

#### TYPICAL IMPROVEMENTS INCLUDE...

- Expansion of Bicycle Boulevard network
- Protected Bike Lanes
- Enhanced crossings
- Shade trees and water harvesting

#### PROJECT EXAMPLE IN PROP. 407

**Blacklidge Bicycle Boulevard: 4.5 miles**  
(Oracle Road to McCormic Park)

- 4 Enhanced Crossings
- Connects to 5 parks, 4 schools, and Campbell Ave Business District
